METALLIC PAINTS

Minimum Order: 6

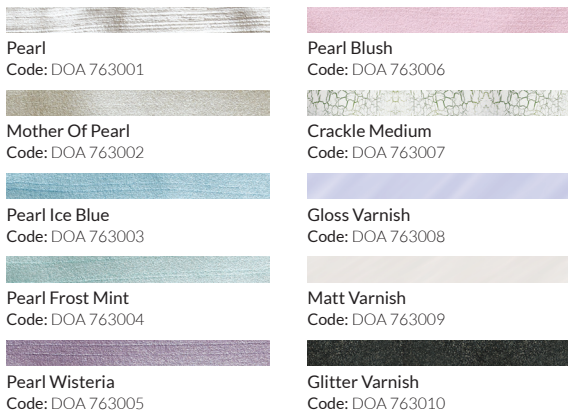

Add some shimmer and shine to your projects and craft makes with metallic acrylic paints. Being water-based and all-purpose means that they cover all manner of surfaces with ease. They are quick-drying too - touch dry in just one hour - ideal for those last minute, in-a-hurry type makes! Mix together for bold, vibrant colours or use as they come for classic finishes. 2oz bottles.

PEARLESCENT PAINTS & SPECIALITY MEDIUMS

Minimum Order: 6

Add a touch of lustre with our pearlescent acrylics or choose from one of our speciality varnishes to ensure your make stands out from the crowd! Mix them up and make new colours, mediums and effects when crafting. 2oz bottles.

ACRYLIC PAINT DISPLAY

An all-new 48 slot display that holds six 2oz bottles of each colour (288 bottles in total), a perfect way to store, organise and merchandise your Artiste paints.

Visit our webshop for the full range of products

ACRYLIC NEON PAINT

Minimum Order: 6

Brand-new additions to the Artiste range, 6 neon colours for those bright and bold projects when you want your work to stand out. The acrylic paint is a quick drying, dye-based craft acrylic for covering wood, plaster, terracotta, cardboard and metal. As with all acrylics, they're water-based, can be mixed to create more colours and, when dry, are water proof.
